

Pulse Points

Understand the cosmic pulse points ahead and prepare yourself for a *quickening* of growth and visionary evolution. Let's go.

Welcome! Over the next few months the skies will become a stage for **rapid evolution**. Like cosmic pulse points guiding us onward into new territory. If you choose it, *this could become a quest like no other*. I can't think of another moment in time that has had this many aspects one after the other, all with a common theme: *growth and visionary evolution*. I hope you follow along.

This starmap is by no means exhaustive, there are tons of other *pulse points*, I picked some prominent ones to set you up for success. Later on, I share ways that we can work together to bring these pulse points to life for you.
